COLLEGE OF BUSINESS  
**INTERNATIONAL BUSINESS MINOR (337)**  
**Fall 2014 – Summer 2015 (revised 5/4/2015)**

The **International Business minor** is available to all majors, except International Business majors. The minor provides multidisciplinary business training designed to complement the student’s functional major. This allows students the opportunity to develop their functional skills while utilizing their elective hours to study the international aspects of business. Students not admitted to the College of Business may take, at most, five business courses at the 3000/4000 level (unless more courses are required by a business minor or non-business major). Students must have 57 hours to take 3000 level COB core courses, 60 hours to take any other 3000 level COB course, and 90 hours to take any 4000 level COB course. Students not admitted to the COB must have a minimum GPA of 2.0 to take 3000/4000 level business classes. In addition to other prerequisites, a minimum grade of “C” in a WID (Writing in the Discipline) course is required prior to taking any 4000 level business courses. **A minimum overall GPA of 2.0 is required for the courses included in the minor.**
