COLLEGE OF BUSINESS
INTERNATIONAL BUSINESS MINOR (337)
Fall 2017 – Summer 2018

The **International Business minor** is available to all majors, except International Business majors. The minor provides multidisciplinary business training designed to complement the student's functional major. This allows students the opportunity to develop their functional skills while utilizing their elective hours to study the international aspects of business. Students are advised to take all 2000 level courses prior to the 3000 level courses in the minor. Students not admitted to the College of Business may take a maximum of five business courses at the 3000-level or above, including graduate-level courses (unless more are specifically listed as required on the Program of Study for a non-business major, a required concentration, or a required minor). Prerequisites for 3000 level and 4000 level business courses, in addition to course specific prerequisites, are as follows: 54 earned hours for 3000 level business courses and 84 earned hours and a minimum grade of "C" in any Writing in the Discipline (WID) course for 4000 level business courses. **A minimum overall GPA of 2.0 is required for the courses included in the minor.**
