Students must observe all prerequisites for courses as listed in the GENERAL BULLETIN. Not all courses are offered every semester. The student should consult the BULLETIN for prerequisites and "Schedule of Classes" to identify which courses are offered which semester.

Since part of the semester hours in biology are not specifically identified for the Biology Second Academic Concentration, students should contact the Chairperson of the Department of Biology early in their program for assistance in course selection.

Note: Students are responsible for checking the catalog for prerequisites and co-requisites.
